

BUT, DON'T LET IT SLOW DOWN YOUR SALES.

While deals often stall this season, it's the perfect time to seize strategic wins.

T+ keeps your pipeline moving with expert MSSP support, tackling friction like tooling gaps, hands-on testing needs, or comprehensive AppSec demands.

Complex prospect? Stalled momentum? We've got you.

From managed services to one-time scans or full resale support, T+ delivers the flexibility to close deals faster. Ready to accelerate? Let's connect.

INVICTI REFERRAL WINS !

Boosting retention and paving the way for future tool adoption, T+ successfully closed these referrals from you last quarter:

- Flylogik
UberEats for private plane trips.
- BookedBy
CRM & scheduling for salons.
- Fujifilm Printlife
Personalized photo products app.
